Dear Students and Parents:

Advanced Placement exams will be administered at Chapin High School from May 3-May 14, 2021. Please inform a testing coordinator of any testing conflicts due to extra-curricular activities at the time you register for your AP exams.

### Registration for AP exam Dates

Registration begins October 6<sup>th</sup> and ends November 6<sup>th</sup>, 2020 at 11:59 PM. Students **must** register by the November 6<sup>th</sup> deadline.

### Steps to Register

- 1) Complete your payment on **SchoolCashOnline** <https://www.episd.org/Page/9516>
- 2) Follow a few simple steps to create your account.
- 3) Select the exams you wish to pay for and complete checkout using a bank card.
- 4) Students must either select the AP Course Exam if they are currently enrolled or the Exam Only if they are not currently enrolled in the course.

### Cost of AP Exams

An AP test from College Board costs \$95. Mr. Marsh will help to pay for each of your exams.

- Cost of each AP exam for Chapin students will be \$25.
- The exam cost for students who are eligible for free/reduced lunch will be \$7.  
(Please make sure you have filled out the income survey to qualify for the reduced price.)
- **PLEASE NOTE College Board FEES: a \$40 fee will be applied to: exams ordered late, canceled exams or unused exams.**

Students should update their College Board account information for accuracy and make sure that they have joined their AP classes on MyAP.CollegeBoard.org. Although students are highly encouraged to take the exam for the AP class they are enrolled in, only exams that have been paid for will be ordered. A student should inform an AP Coordinator as soon as possible if he or she does not wish to take the exam for a course.

Students may also plan to take an exam for a class they are not enrolled in. In this case, the student will need to join the Exam Only section on MyAP as soon as possible after payment is received.

If you have any questions, please contact Mr. Munoz or Ms. Sheldon. Thank you.
